University Administration

Dr. C. Nelson Grote President

Dr. C. Nelson Grote became the 11th President of Morehead State University on July 1, 1987, returning to the campus where he began his career in higher education administration nearly three decades earlier. It was a move, Dr. Grote said, that brought him "back home".

Intensely interested in economic development, President Grote has served on various economic development commissions at the national, state and local level and has participated in trade missions to China, Japan and Germany. Dr. Grote also has taken leadership roles in education consortia, promoting cooperative efforts in education at all levels, and in encouraging partnerships between business and education.

Acutely aware of the implications of a global marketplace, he is committed to internationalizing MSU's curriculum and is continuing his long-standing interest in sister city relationships.

Currently serving on the committee on International Programs of the American Association of State Colleges and Universities (AASCU), Dr. Grote visited China a second time in 1989 to establish exchange agreements between MSU and universities in the Peoples Republic of China. His extensive European travels include attending a weeklong workshop for educators in Belgium on the European Common Market.

He also is serving a three-year term as Kentucky's

representative to AASCU, having been elected to the post by state AASCU presidents.

Active in the region, Dr. Grote is an ex-officio member of the Morehead-Rowan County Chamber of Commerce Board of Directors and a member of the executive committee of the Kentucky Council on Economic Education. He also serves on the Kentucky Advisory Council of the U.S. Small Business Administration's Region IV.

He is a member of the boards of the Jesse Stuart Foundation and the Blue Grass Council of the Boy Scouts of America as well as the Endowment Committee for the Appalachian Ministries Education Resource Center. A charter member of the Morehead Optimist Club, he is a life member of Optimist International.

A former dean of MSU's College of Applied Sciences and Technology, Dr. Grote left the University in 1971 to become president of Schoolcraft College, Livonia, Mich. In 1981, he was named chancellor of The Community Colleges of Spokane, a post he held until returning to MSU.

The Illinois native first came to MSU in 1960 as an associate professor and chair of the then-Division of Applied Arts. Dr. Grote earned the Ed.D. degree at the University of Illinois, the M.Ed. degree at the University of Missouri and the B.S.Ed. degree at Eastern Illinois University. In 1978, he received the Distinguished Alumnus Award from EIU.

Dr. Grote and his wife Wilma have three children: Mrs. Sonny (Carol) Jones, Mrs. Dave (Jan) Adams, and Mark, all of whom live in Seattle, Wash., and four grandchildren. The Grotes are members of the First Christian Church of Morehead.

Morehead State University

Quality is the byword of Morehead State University as the institution is in its seventh decade of service. Founded in 1922 as a teachers college, MSU became a university in 1966.

Nestled in the foothills of the Daniel Boone National Forest, Morehead State provides a learning and living environment for more than 8,000 students, 1000 faculty and staff members. The university's 500-acre campus features a 50-structure skyline dominated by the two tallest occupied structures in Eastern Kentucky, 19-story Cartmell Hall and 16-story Mignon Tower.

The university's four academic colleges offer many programs of study from an associate degree to a joint doctoral program. Applied Sciences and Technology, Arts and Sciences, Business, and Education and Behavioral Sciences comprise the academic colleges.

MSU operates under a 10-member Board of Regents.

Eight citizens are appointed by the governor of Kentucky and two seats are held by elected faculty and student representatives with full voting rights. The administrative structure consists of four divisions—Academic Affairs, University Advancement, Student Life, and Administration and Fiscal Services. Dr. C. Nelson Grote became MSU's eleventh president on July 1, 1987, after a nationwide search.

Morehead State sponsors a full program of intercollegiate sports for men and women as charter members of the Ohio Valley Conference and National Collegiate Athletic Association. Athletic facilities include a 10,000-seat football stadium with omnitrack and an eight-lane oval track, a 6,500-seat basketball arena, a 1,200-seat baseball park, 14 all-weather tennis courts, a nine-hole golf course, and an olympic sized indoor swimming and diving facility.

Ohio Valley Conference

The idea of forming the Ohio Valley Conference originated in 1941, but could not be implemented until after World War II. In 1948, five schools—Morehead State, Murray State, Western Kentucky, Eastern Kentucky and Louisville—withdrawed from the Kentucky Intercollegiate Athletic Conference and were joined by Evansville in forming the original membership of the OVC. They were joined shortly thereafter by Tennessee Tech and Marshall.

The membership has changed somewhat over the years. Middle Tennessee joined the league in 1952, East Tennessee in 1957 and Austin Peay in 1962. The trio of schools replaced Louisville, which became an independent in 1949, and Marshall and Evansville, which departed in 1952.

East Tennessee withdrew in 1978 making room for Akron and Youngstown State. Western Kentucky left the league in 1982. Akron also departed the OVC in 1986 with YSU leaving after the 1987 athletic season. Tennessee State joined the league in 1988. The OVC Presidents have conditionally admitted Southeast Missouri State (August 15, 1991) and Tennessee-Martin (August 15, 1992).

In 1955, the NCAA formally recognized the OVC as a

major basketball conference, awarding the league champion an automatic bid to the NCAA post-season tournament. At that time, the OVC was only the second six-team conference to obtain major status from the NCAA.

For many years the OVC has been represented in the nation's top holiday and post-season basketball tournaments. The league has also won recognition for its football program placing representatives in a number of post-season bowl games. The OVC has achieved national recognition for its football program placing representatives in a number of post-season bowl games. The OVC has achieved national recognition in NCAA Division I-AA football with a national championship and two runner-up positions during its existence.

OVC champions have also been prominent on the national scene in baseball, riflery, tennis, track, golf and cross country.

Dan Beebe operates as commissioner of the OVC. He is the OVC's fifth commissioner, following Art Guepe (1963-75), Paul Dietzel (1975-76), Bob Vanatta (1976-79), and Jim Delany (1979-89).
